Lets get started on the site with some fun and games, the first opportunity comming our way with this unique style of advertising is ArcadeCow

Arcadecow offers over 2000 Free flashgames that you can play online. Online flashgames sites have increased manyfold in the past few months and i must say this is one of the great ones. There are various category games such as Action, Adventure, Sports, Strategy, Puzzle and many more.

It also lets you add their games to your MySpace profile, your personal blog, or even your website. So if you are into Gaming or just want to have some fun, this site is the place to be.
