TheBullTrader.com is a weblog by Johns Wu who is currently studying for his MCB Major at the UC Berkeley. The blog contains a lot of useful stuff that there is to learn about the stock and money markets.

This stock blog contains a lot of information related to technical analysis which is the most important part of the stock market along with the market fundamentals. Also has the latest scope on the latest business news, online trading advice, stock picks and more investment ideas. There is also a forum there for discussing your favourite stocks.

Go ahead and visit TheBullTrader.com to get your dose of the stock market.
