Who invented baseball? - These are the kind of questions that come to your mind when you are reading a sports almanac or any other magazine. The world of sports is fascinating and so are the sports stars. The Media world is a major player in getting these things to the common mans eyes. Because of the huge media people are becoming famous faster and the world is becoming a smaller place day by day. Big upps to the Media team belonging to every firm, they are doing a wonderful job and we must hope this carries on in the years to come.
